

Alcohol Policy

Alcoholic beverages may only be served under the terms and conditions, consistent with the rules and regulations of the Texas Alcohol Beverage Commission, outlined below.

Guidelines

- No alcohol is to be brought on property at any time throughout your event, unless purchased from Balcones Springs.
- Balcones Springs is located within a dry county which states that each guest must join our “club” to be able to be served. “Joining” our club is nothing more than signing our guest book upon check in. You will not receive any mail or notifications; this is just for legal reasons.
- At any function which alcoholic beverages are served, Balcones Springs will provide appetizers for the duration of the open bar.
- Alcohol may only be served by our TABC licensed bartenders. Self service of alcohol is not permitted.
- All beverages will be individually charged unless the organization decides to host the bar in which case all drinks will be master billed.

Please feel free to contact your event coordinator with any further questions.

Thank you,

The Retreat at Balcones Springs
